

**09-10 AMERICAN CHEER POWER SCORING GRID
LEVEL 5**

The following grid outlines the point range for specific skill sets performed by a **MAJORITY** of the team. Judges will consider difficulty, variety and creativity when deciding on a specific score. Skills performed by less than a majority of the team will move the score into a lower point range. Multiple skill sets performed by a majority of the team, may be scored in a higher point range. Execution/Technique for each skill category will be scored separately on the score sheet.
